BIOGRAPHY

After moving to Dallas, Texas in 2000, Goga was fortunate to be introduced to the music of legendary American artists such as Buddy Guy, Marvin Gaye and Barry White; all of whom had a profound influence in shaping Goga's current musical style. Their mentorship combined with his Eastern European roots allow Goga to infuse music with a unique quality that gives old favorites a fresh spin and creates a trademark sound in his original compositions. Apart from his unparalleled style, Goga's real strength lies in the singer's chameleon-like versatility, which is best demonstrated in his elegant transitions between funky blues beats, soulful jams and breathtaking operatic melodies. Vocal prowess isn't Goga's only draw however; his powerful musicianship includes piano reminiscent of Chick Corea and Errol Garner, electric guitar ranging from the Latin sizzle of Carlos Santana to the smooth jazz of George Benson, and acoustic guitar spanning from folksy to flamenco. The union of these talents offers audiences truly unforgettable showmanship and a passion for performance that is rarely experienced today!

Best known by Dallas' elite for elaborate weddings and elegant private parties, Goga is privileged to perform in some of the area's most exclusive venues. Among these are the Ritz Carlton, Four Seasons and W Hotels; Lamborghini of Dallas and Maserati of Dallas; the Fashion Industry Gallery; Shops at Legacy in Plano, Dallas Museum of Art, Nasher Sculpture Center and the prestigious Meyerson Symphony Center. Recent notable performances include opening for Russian chanson singer Lubov Uspenskaya in her sold out United States tour, performing live before thousands of viewers on the television program CBS11 *News This Morning* and singing on air with *The Russ Martin Show* on Live 105.3 FM radio. Additionally, Goga recently brought home first place in the Sounds and Voices songwriting contest.
